## REFERENCE LETTER

17 October 2011

To whom it may concern

Nathan is a Very motivated designer.

He thinks on his feet and is able to run with a job from beginning to end.

He is pro active in the sense that if there are obstacles to certain jobs or campaigns, he will take the initiative to solve those problems in the most creative manner possible.

He works extremely well with other people and in teams, but also excels as an individual!

I believe Nathan is a valuable asset to any agency, because of his work ethic, honesty and passion.
